What you can do

Volunteer

Visit [JRA's Website](#) to find

JRA's held its first annual James River Runoff Rundown on Saturday, July 12th. Through this initiative, teams and individuals collectively

traveled the full 340 miles of the James River, from the headwaters in the Allegheny Mountains to the mouth at the Chesapeake Bay. As part of this event, participants celebrated the heritage of the James River, supported efforts to protect the river's health and promoted the River for recreational enjoyment. Special thanks to everyone who participated and sponsored this event, for making it a huge success.

that thrive in the park's numerous aquatic environments. Sampling gear will be provided, but please bring river shoes. The cost is \$5 per child and preregistration is required. The trip will be held Friday August 15th, from 10 to 11 a.m. Contact Heather Murdoch at (804) 788-8811 ext. 205 for more information.

James River Regional Cleanup

On June 14, 2008, JRA along with the James River Advisory Council completed the ninth annual James River Regional Cleanup. This year more than eight hundred volunteers cleaned over seventy five miles of shoreline and road miles within the James River watershed. Twelve areas in Appomattox, Buckingham, Charles City, Chesterfield, Henrico counties and the City of Richmond were this year's cleanup sites. Overall, 649 bags of trash were removed, of which, 300 bags were recycled (including aluminum, plastic, glass and paper products).

JRA co-hosted the James River Park Reedy Creek site this year along with members of Friends of James River Park and James River Park staff. This site had 117 volunteers who managed to remove 206 bags of trash from the river and its banks. Special thanks to our volunteers from the Environmental Law Section of the Virginia Bar Association for helping with set up, break-down and recycling.

Save the Date! Wild and Scenic Film Festival
